### Notes to young person and parents/carers

- ✚ On completion of this application form please ensure you sign the form as indicated at the bottom of the page.
- ✚ Please also ensure your parent/carer signs the form as well.
- ✚ Return the form in the enclosed envelope to the relevant section leader who will forward your details to the Group Lead Volunteer.
- ✚ At a time, suitable with yourself you will be asked to attend a short informal interview to discuss your application, explain in more detail the role and expectations of an Explorer Young Leader (EYL), and answer any question you have regarding becoming an EYL at the 82<sup>nd</sup> Scout Group.
- ✚ You will be strongly encouraged to have a parent or carer present at the interview as their support in your journey to becoming an EYL will be important to both you and the Scout Group.
- ✚ You will be notified by the GLV as soon after the interview as possible as to whether you have been successful in your application to become an EYL at the 82<sup>nd</sup> Scout Group.
- ✚ On your acceptance you will be advised as to when you will start.
- ✚ **Please note.** It is highly unlikely that you will be allocated to the Scout Troop section as we think a break from your current section is strongly advisable and encouraged and therefore it is important that you notify the leadership team if there is any issue with you attending any of the days and times other section meetings are held.
- ✚ As EYL's is a Bristol South District provision your current personal information held on OSM (Online Scout Manager), will be shared (electronically) with the District Explorer Team, and you may be contacted directly by them with any relevant Explorer Scout information. (Such as training courses, upcoming events, etc.).
- ✚ Parents and Carers will still be able to access the OSM portal and will need to comply with the current procedures for signing up for events and maintaining personal details.
